

Introducing the “7C’s Being Fully Human” Cards

“Being Fully Human – the 7C’s for Learning, Change and Transformation” is a new lens for leading, coaching and coaching supervision, which has been designed by Elaine Patterson. The 7C’s are our natural and innate human qualities of Care, Curiosity, Courage, Compassion, Connection, Creativity and Contemplation for great work and inspired living.

This card pack enables you and / or your clients to discover how we can all learn how to invite more of our own humanity – and also our shared humanity – into our work for the good of all.

Cost: £20.00 GBP plus package and posting
